BERG WINS FIRST WITH ANGUS CALF

AT DISTRICT BABY BEEF SHOW AT ST. JOSEPH.

LILA WRAY'S SHORTHORN

Takes Top Prize of This Class—Other Nodaway County Boys and Girls Get Awards.

Maurice Berg, son of Mr. and Mrs. W. A. Berg, 302 South Main street, for the second consecutive year won first place in the championship class with an Aberdeen-Angus calf at the fourth annual district baby beef show which was held at the livestock yards at St. Joseph yesterday. Lavern Butts of Ravenwood was awarded second in the Angus class.

In the Shorthorn class, judged from the standpoint of baby beef, a calf belonging to Lila Wray, daughter of Fred Wray, living near Hopkins, was awarded first. Dean Dorman of Graham was in ninth place.

Another Nodaway County boy who represented the county Baby Beef Club was Homer Davison, who lives south of Maryville, with a Hereford calf got ninth place in the Hereford class. The American Shorthorn Breeders Association gave special prizes of $5 to the twenty best Shorthorn calves. Nodaway winners in this were Lila Wray, Hopkins; Dean Dorman, Graham; and Raymond Crater, Ravenwood.

For the best characteristics of the Shorthorn breed in the show the American Institute Packers gave silver medals to Lila Wray for the best Shorthorn and to Lavern Butts for the best Aberdeen-Angus. Miss Wray's calf took first in the Shorthorn class at the county show held here last week.

The judging of the baby beeves was made by Fred Stemm of Chicago. Sixteen counties were represented in the show. The Shorthorns led with the largest number of entries with fifty-one. Forty-nine Herefords and thirty-four Aberdeen-Angus were entered.

The rule prevailing in regard to the calves entered in the show that they must be dropped between January 1, 1922, and September 1, 1922. Maurice Berg's father, W. A. Berg, who has his farm near Parnell, has been showing Aberdeen-Angus at the Chicago International for more than twenty years. At the district show last year at St. Joseph Nodaway County entered sixteen calves in competition with 134 calves frm other counties. Calves from this county won fourth, sixth and eighth in the Shorthorn class, second in the Aberdeen-Angus. The medal for the best bred Angus and Grand Championship went to this county, Maurice Berg being awarded state championship.

The following is a tabulation of the winners in the district show:

Shorthorn class—Lila Wray, Nodaway County, first; Clayton Saunders, Gentry County, second; Francis Wright, Andrew County, third; Claude Warner, DeKalb County, fourth; Olan Krumpacker, Sullivan County, fifth; Dean Dorman, Nodaway County, sixth; Elvin Anderson, Holt County, seventh; Homer Morelock, Sullivan County, eighth; Inez Guess, Gentry County, ninth; Margaret Moorman, DeKalb County, tenth.

Hereford class—Dale Steck, Atchison County, first; Raymond Hamilton, Clinton County, second; Elmer Elliot, Clinton County, third; Harold Hamilton, Clinton County, fourth; J. B. Holferty, Clinton County, fifth; Francis Williams, Caldwell County, sixth; Eldon Peter, Clinton County, seventh; Evelyn Poe, Atchison County, eighth; Homer Davison, Nodaway County, ninth; Harold Roach, Buchanan County, tenth.

Angus class—Maurice Berg, Nodaway County, first; Levern Butts, Nodaway County, second; Margaret Black, Linn County, third; Wayne Lowry, Putnam County, fourth; Loma Richards, Putnam County, fifth; Lucille Loest, Gentry County, sixth; Helen Slagle, Worth County, seventh; Glenn Wardlow, Andrew County, eighth; John Shuey, ninth.

Oklahoma Flood Water Is Receding Rapidly

North and South Canadian Rivers are Expected to Be Back to Normal in Short Time.

Oklahoma City, Oct. 17.—This city demonstrated today its ability, to quickly recover from a staggering blow occasioned by a destructive flood, by reporting the smooth operation of a gigantic relief organization that was caring for 2500 homeless persons.

The small towns of Jones and Spencer near here were cut off and seriously menaced by high waters today. Yet the flood was receding rapidly. No heavy rains were reported in the north and it was expected the North and South Canadian rivers would be back to normal within two or three days.

The Bank of Guilford Files Replevin Suit

About 300 Attend Box Supper at High School

High School Orchestra Gave Excellent Program—Receipts Were $125.68

About 300 persons attended the box supper and Hallowe'en party given at the high school last night. The total receipts amounted to $125.68 and this money goes for the benefit of the high school orchestra. It is planned to purchase a viola and a clarinet and to provide other equipment for the orchestra.

Fifty-one boxes were sold at an average of over $2 apiece. The receipts of the cider stand amounted to $17 and the rest of the money was taken in at the Hallowe'en alley.

The high school orchestra, under the direction of Loren Schnabel, funished an excellent musical program before the boxes were auctioned off. Several vocal numbers were also given and the string quartette played a special number.

After the program, Col. R. P. Hosmer auctioned off the boxes.

The following program was given:

Bedford's Carnival March by Russel Alexander—Orchestra.

Birds and the Brook, Bird ology, by Stultz—Orchestra.

Ozida, Characteristic—Orchestra.

Princess of India, (K. L. King)—Orchestra.

College Men's Quartette, selected—Yehle, Foreman, Lunsford and Allan.

Forest Whispers by Loosey—Orchestra.

Vocal solo—Laverne Robey, selected.

Night Alarm, by D. W. Reeves—Orchestra. A descriptive piece of a fire at midnight.

Overhead Expenses of Veterans' Bureau

St. Louis, Oct. 17—The lowest average overhead expenditures of any branch of the Veteran's Bureau is claimed by the local branch, according to a detailed annual report for the fiscal year ending June 30, just made public by M. E. Head, district manager of the states of Missouri, Kansas, Iowa and Nebraska.

During the first eight months of the fiscal year, the bureau spent $888,136 for salaries or $1.81 for each former service man in the district against the national average of $3.51; for administrative expenses $1,122,130 or $2.36 per man was paid out against a national average of $4.17, according to the report.

During the fiscal year 70,000 claimants were given a total of 129,725 treatments; 120,334 examinations were made; 1,737 operations performed; 2,408 claimants hospitalized and 22,326 home or hospital visits made by bureau physicians.

Among the accomplishments of the year were the establishment of additional clinics in St. Louis, Kansas City, Omaha and Des Moines.

Returns From Eastern Trip.

Mrs. J. C. White returned Sunday morning from a several weeks' eastern trip. She spent a month with her son and his wife, Mr. and Mrs. H. Wilfred White, at Bayside, L. I., New York, and later visited an aunt, Mrs. J. C. White and several cousins at Brooklyn. She called on Mr. and Mrs. Homer Croy at Forest Hills, a beautiful residence suburb of New York City. Enroute home she visited a sister and other relatives at Niagara Falls and Chicago and spent a week with relatives at Pekin, Ill.

BOOM IS STARTED FOR H. J. ALLEN

FORMER KANSAS GOVERNOR FOR VICE-PRESIDENT

HAS GAINED FRIENDS

Kansan's Reply To Governor Pinchot Has Won Admiration Of Influential Republicans, It Is Said

Washington, Oct. 17.—The Republican ticket for 1924—if certain influential Republicans have their way—will be: For President, Calvin Coolidge of Massachusetts; for vice-president, Henry J. Allen of Kansas.

A well defined vice-president boom for the militant Kansan is in the making here today. Whether it will grow and prosper in the months preceding the June convention next year remains to be seen, but the boom is giving indications of becoming healthy.

The former Kansas governor has been brought to the attention of the friends of President Coolidge. Allen came to Washington several days ago and has been to the White House daily to see the President. He has won friends here because of the manner in which he came to the defense of the President when the chief executive was criticized by Governor Pinchot of Pennsylvania.

When Pinchot criticized the Coolidge prohibition enforcement policy and invited the President to assume personal charge of the prohibition program, Governor Allen promptly addressed somewhat of a rebuke to the Pennsylvania governor and admonished him to clean up Pennsylvania before criticizing President Coolidge.

It is generally conceded here that if the President is nominated, he will have to have a running mate from the Middle West, one from an agricultural state and one who is an orator of some repute.

Governor Arthur M. Hyde of Missouri has also been mentioned as a possible candidate for vice-president.

Where Will Uses of the Newspapers Cease?

Stilwell Tries to Get in Communication With Boyhood Friend Through K. C. Star.

Besides the various purposes for which the newspaper is used, it also serves at times to bring together friends that have been separated for many years. Charles E. Stilwell, an attorney here, noticed an article in the column called "Speaking the Public Mind" in the October 10, issue of the Kansas City Star which was signed by a person who has the same name of one of his boyhood friends.

Mr. Stilwell wrote to this man in care of the Kansas City paper, asking the Star to forward the letter to the man who signed his name Dorr H. Carroll and by a misunderstanding the Star printed the communication, entitling the item, "The Public Mind Brings Two Old Friends Together, Perhaps—Dorr, Who are You?" As yet Mr. Stilwell has not heard from this person.

In speaking of the story in the Kansas City Star, Mr. Stilwell was reminded of some of the experiences his friend, Carroll, and he used to have when they lived at Waukon, Ia. He said that they had a small hand printing job press on which they would print cards for some of the business men of the town. On one occasion they were printing some cards for a man by the name of "Stevens" and they had not noticed a mistake in spelling the man's name until the cards were delivered, the name appearing on the card, "Sevens." The man who had ordered the cards said that he would take the work of the boys if he was given a few cents rebate, about 7 cents to be exact, the original cost being 25 cents, as he thought the error would not make any difference.

Mr. Stilwell said that this was nearly thirty years ago as correctly as he could recollect and that the same hand printing press is now in his home, and is yet made use of by his boys.

Miss Dow Slightly Improved

Mrs. E. W. Dow of Liberty arrived in Maryville at noon today being summoned by the illness of her daughter, Miss Blanche Dow, a member of the State Teachers College faculty. Miss Dow's condition today is slightly improved after a fairly restful night. She is suffering from an infection of the upper lip and has been at St. Francis Hospital since Saturday.

Legion Convention Has Settled Down to Work

Convention Is Pledged To Most Constructive Program In History—Many Plans Approved

San Francisco, Oct. 17—After two days of play, delegates to the fifth annual convention of the American Legion, pledged to put across the most constructive program in the history of the organization, settled down to work today.

The wheels of the convention were whirled into action to bring about plans for the better care of disabled ex-service men, homeless, orphans, and the placing of the adjusted compensation before Congress.

C. OF C. LOCATES 5-TON ARMY TRUCK

WAS FOUND FOUR MILES WEST OF TROY, KAN.

ON WAY TO MARYVILLE

First Lieut. H. E. Willis, Fort Crook, Neb. Says Maryville Should Be Recruiting Center

A five-ton Liberty truck, belonging to the United States government, was found yesterday through the efforts of the Maryville and St. Joseph Chambers of Commerce.

Late yesterday afternoon, First Lieut. H. E. Willis, 17th U. S. infantry, Fort Crook, Neb., advised L. H. Brownfield, secretary of the Maryville Chamber of Commerce, that a five-ton Liberty truck had been lost somewhere between Hiawatha, Kan. and Maryville.

Mr. Brownfield immediately got in touch with the St. Joseph Chamber of Commerce who finally succeeded in locating the truck four miles west of Troy, Kan. The truck had become mired in the mud and was unable to proceed further. Assistance was sent out to Troy and the truck will soon arrive in Maryville.

Lieutenant Willis believes that Maryville is an excellent town for the establishment of a permanent recruiting station. He gives the following reasons for this belief:

A national guard organization in the town that gives excellent co-operation.

Friendliness of the townspeople.

Numerous ex-service men in the town who are friendly to the army.

A class of young men who are bound to go to the top in army circles.

The people of Maryville have not forgotten the sacrifices made by their soldiers while overseas.

Lieutenant H. E. Willis of the recruiting party said this morning that Privates Pearl Crawford and Ernest Carlson, both of Maryville and members of Battery C, would go with him at the end of the week to Fort Crook, Neb. The lieutenant expects that there will be others who will accompany him there to look over the post and take a physical examination for the army. In case any are disatisfied transportation will be furnished to their homes.

Living Costs Again Advance in September

Wholesale Prices Increase 2¾ Per Cent—Clothing Prices Jump 4½ Per Cent—Building Costs Decline.

Washington, Oct. 17.—The cost of living is advancing again, wholesale prices having jumped 2¾% in September and compared with August in marked contrast with the decided trend in progress since May, the Department of Labor announced today.

Clothing showed the greatest increase over the preceding month, amounting to 4½% and was due mainly to the marked advances in the prices of raw silk and cotton yarns.

The advance in corn, oats, wheat, eggs and hay caused the farm products group to rise 3½% in September as compared with August. A net increase of 3½% is also reported for the food group because of the continued advance in the price of fresh beef, butter, pork and sugar. There was a continued decline in building material, the net decrease being over 2 per cent.

Grand Jury At Work

The grand jury was still in session today. There were eleven persons from Burlington Junction to be examined by the jury today. There was some talk the grand jury would adjourn this evening until a later date on account of it being hard to subpoena witnesses due to the condition of the roads.

M'CRAY CHARGES LAXITY IN FORCES

TELLS GOVERNORS DRY LAW OFFICERS NEED "HOUSECLEANING"

FALLS LIKE BOMB SHELL

Two Governors and Wives, On Way To Conference Narrowly Escape Death Or Serious Injury

West Baden, Ind., Oct. 17.—"Prohibition can never be strictly enforced until there is a thorough house-cleaning in the personnel of the dry law forces, and the federal prohibition unit is placed squarely under the direction and responsibility of the President of the United States."

This startling charge echoing the challenge of Governor Pinchot of Pennsylvania to the citizenship conference in Washington, was made here today by Governor W. T. McCray of Indiana who delivered the address of welcome at the opening session of the fifteenth annual conference of state governors.

Falling like a bomb shell upon the thirty-two governors, McCray's declaration thrust the prohibition issue immediately to the forefront as the chief problem of the conference, dwarfing the other problems of the scheduled program of the three-day conference.

West Baden, Ind., Oct. 17—Governors C. R. Maybe of Utah and J. M. Dixon of Montana and their wives, on their way to the conference of governors here, narrowly escaped death or serious injury when the car in which they were riding skidded and plunged off an embankment near Harodsburgh, Ind. this afternoon.

Minor scratches and bruises were the extent of their injuries and they were able to resume their trip in another motor car.

Good Crowd at Cattle Sale This Afternoon

The auction sale of eighty Jersey cows and heifers of F. P. Robinson and Ed Wallace at the Gray pavilion was attended by a large crowd of buyers. Fifty cows were on sale and the remainder heifers. The prices given for the cattle varied. Some of the cows brought as high as $60 and the heifers selling between $30 and $45.

Mission School Will Meet at Church Tonight

Is Second Year For Formal School At Presbyterian Church—Classes To Continue For Six Weeks

The Mission School of the Presbyterian Church will meet at 7:30 o'clock tonight at the church. The adult class of the school is studying the book, "Creative Forces in Japan." The high school group is studying, "Japan on the Upward Trail," and the junior boys and girls are using the books entitled, "The Honorable Japanese Fan."

The Westminster Guild will meet at the Church next Wednesday night with the other classes of the school.

The books studied are those regularly sent out by the missionary education movement.

The school will continue for six weeks and it is planned to use a number of slides on Japan at the close of the present term. These will be used in illustrated lectures. After Christmas, it is planned to have another term of school and home mission study shall be taken up at this time.

This is the second year for formal mission schools at the Presbyterian Church.

All Engagements For Today Are Cancelled By His Physicians—Condition Is Not Serious

Chicago, Oct. 17—All engagements for the day were cancelled and David Lloyd George ordered to bed by his physicians, when the cold aggravated by the vigorous activity of the former British premier failed to show the expected improvement. Attending doctors, however, emphasized that the condition of the British statesman was not serious.

Fake Diploma Charge to Go Before Jury

Kansas City Deputy Prosecutor Announces Grand Jury Will Investigate Allegations by Star.

Kansas City, Oct. 17—Evidence gathered by newspapers to support the charge that a nation-wide traffic exists in the issuance of spurious medical diplomas will be submitted to the grand jury by November 10, H. P. Ragland, deputy prosecutor announced here today.

The exposure of the alleged diploma mill was made by Harry Thompson Brundidge, a reporter on the St. Louis Star at heavy expense to his paper. Thompson conducted an investigation and claims to have purchased a doctor's diploma without ever attending a medical school.

Lloyd Tullock of St. Louis, who has been spending two weeks with Dewey Saunders, left today.

GOVERNMENT BANK WOULD AID FARMER

SOUTH DAKOTA SENATOR PROPOSES RELIEF INSTITUTION.

MONEY AT 4 PER CENT

Principle Is Based Upon Issuance of U. S. Treasury Certificates Guaranteed by Gold Silver Bullion.

Washington, Oct. 17.—A billion dollar government bank for lending money to American farmers at 4 per cent interest.

Although it would revolutionize the American financial system this, in effect, is the proposal, advocated today, of Senator E. F. Ladd, Republican, of North Dakota for establishing agriculture.

Ladd's principle is based on the government's issuance of millions of dollars in the new United States treasury certificates—guaranteed by the gold and silver bullion in its vaults—and lending the new paper money to the farmers through postal savings banks at 4% interest.

The new greenback, Ladd declared, would give the farmer cheaper credit, easy accessible cash and end the "money famine" now existing in the West.

To prevent inflation, it is planned to place a limit of $5,500,000,000 on all paper money to be circulated in the United States, which ultimately would force the retirement of all paper money in favor of the government greenbacks.

Evans is in charge of the Woolworth store at Wellington, Kan. This summer he was here on a visit with his parents.

2 Officers are Killed in Gun Duel Last Night

Failure to Serve Several Court Papers Costs Life of Texas Sheriff and Constable.

Jefferson, Texas, Oct. 17.—Although neither of the two parties in a sensational gun duel would make any statement in their dying moments, it was explained here today that a quarrel over the failure of duty caused a constable and sheriff to shoot each other to death on one of the principal streets here last night.

Both lived several moments after the shooting but refused to talk.

The quarrel is said to have arisen over a fine imposed by the sheriff, B. B. Rodgers, 54, when constable W. D. Proctor, 59, under his jurisdiction, failed to serve several court papers. When the two met last night, they settled their differences with guns.

Dr. Dean's Condition Satisfactory

The condition of Dr. L. E. Dean, who underwent a serious mastoid operation yesterday afternoon at St. Francis Hospital was satisfactory today. He was restless the early part of the night but was improved after several hours sleep later in the night.

O'Day-Tobin Wedding

The marriage of Miss Edna Mae O'Day, daughter of Mr. and Mrs. Thomas O'Day to Thomas J. Tobin was solemnized at 8 o'clock this morning at St. Patrick's Church, the Rev. Father Niemann officiating. Miss Cecelia Miller played the wedding march by Valenti, and during the ceremony Mrs. Frank Cummins sang Rosewig's "Ave Maria." At the close of the nuptial service Mr. Cummins sang "Adoration." The bride wore a coat dress of navy blue poiret twill trimmed in sand canton crepe with a hat of sand color and a brown fox choker. Her bouquet was of bride's roses. Miss Mary Tobin, sister of the bridegroom, attended the bride as bridesmaid, and wore a blue poriet twill coat dress. She carried a bouquet of Annie Laurie roses. Edward O'Day, brother of the bride, acted as best man for Mr. Tobin. Following the ceremony a wedding breakfast was served at the home of the bride's parents, five miles east of Maryville, for the immediate families and the Rev. Father Niemann. A reception for sixty relatives and friends was held this afternoon from 2 to 4 o'clock at the O'Day home. The color scheme was carried out in pink and white and roses were used as the floral touch. Mr. and Mrs. Tobin left for a short wedding trip and upon their return will be at home on the Tobin farm, four miles north of Maryville. The bride is the third daughter of Mr. and Mrs. O'Day, and is a graduate of St. Patrick's High School. She taught school last year. The bridegroom is the oldest son of Mr. and Mrs. P. J. Tobin.

Comfort and Pleasure From Parlor To Kitchen

The comfort and pleasure you get of your home doesn't depend on what price furniture you put into it rather does it depend on what pieces of furniture you put into it.

Don't just buy furniture to fill up space. Consider carefully of what use each piece is going to be; is it the sort of furniture that will look well in your home? Maybe odd pieces suit your home better than the regulation suites. What ever the case may be, be sure you are getting the furniture that will give you the most pleasure out of your home from parlor to kitchen.

This store has a large variety of the kind of furniture a home needs for you to get the most pleasure from.

Greatest Baby Beef Show in the State

District Show At St. Joseph Ranks With Best—What is Said About The Winners

The following article about the baby beef show at St. Joseph in which Maurice Berg of Maryville won the grand champion calf of the show was written by Ira D. Mullinax, field editor of Twice-a-Week St. Louis Globe-Democrat:

What livestock specialists declare is the greatest baby beef show that ever has been held in Missouri and one of the best in the entire country, will close this afternoon when 300 head of baby beeves will be sold at auction at the stockyards in South St. Joseph.

This is the fourth of these shows to be held here, the calves being exhibited by boys and girls who won prizes in sixteen county calf clubs in St. Joseph trade territory. How the show is growing is seen in the fact that last year 148 animals from only eight counties were shown, while this year the number of both cattle and counties represented has doubled.

The baby beef show is given by the Stockyards company in co-operation with the extension forces of the Missouri college of agriculture. H. M. Garlock, beef cattle specialist of the college, has been here in charge of the show, while county agents from a dozen counties also came to aid and encourage the youngsters they have been instructing in the art of feeding and finishing good cattle for market. Garlock, incidentally, has done much traveling over the state to aid the calf clubs in the work which culminated in this show.

The 300 head brought here were culled out until finally 51 Shorthorns, 51 Herefords and 35 Aberdeen-Angus calves were actually entered. Nine premiums were offered on each breed. The prize money was given by the various breed associations, the Stockyards company and others. The Stockyards company paid all expenses of bringing to St. Joseph the five best calves in each of the county clubs, as well as providing round trips and paying all expenses for the five youngsters that fitted the calves.

Maurice Berg of Maryville had the grand champion calf of the show in an outstanding pure bred Angus steer named Lad. Although young Berg is only 12 years old, this is the second time he has won the championship, his victory yesterday being a repetition of his triumph at last year's show. Competing against him for the championship were the Dale Steck of Rock Port, who took first in the Hereford section with a splendid specimen of that breed, and Miss Lila Wray of Hopkins, who showed an admirably fitted Shorthorn. Lavern Butts of Ravenwood won a medal for exhibiting the best representative of the Angus breed. His calf stood second in the Angus section, the same position held by his entry last year.

Already the educational value of this show is evident in St. Joseph trade territory, according to specialists who attended. Many baby beeves are being fed in districts which fed none when the show began four years ago. Better methods are being followed, the question of cheaper rations studied and feeders are reaping greater profits as a result of the interest aroused by these youngsters with their calves.

A considerable number of girls were among the contestants. Some of them, arrayed in knickers, led their pets into the ring with the confidence of veteran showmen. In the evening they donned party dresses and came uptown for the theater.

SULPHUR CLEARS ROUGH, RED SKIN

Face, Neck and Arms Easily Made Smooth, Says Specialist

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm.

It seldom fails to remove the torment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.

Questionnaires Filled Out by H. S. Students

North Central Association Of Colleges and Secondary Schools Wishes To Discover Attitude and Interest

The North Central Association of Colleges and Secondary Schools has selected the junior class of the Maryville High School from among hundreds of schools for the purpose of answering a number of questions that relate to the high school and its work.

Questionnaires have been given to the members of the class. One of the questions asked was as follows:

Which of the following best express the purpose or motive you have in getting a high school education:

(1) To prepare yourself to enter college.

(2) To prepare yourself to secure and hold a well-paying position.

(3) To fit yourself to live a richer and more abundant cultural life and be a happy man or woman.

(4) To fit you better to serve society and to contribute to the world's progress.

The class almost unanimously checked the first and last as their purpose for getting a high school education. Very few gave any reasons why they disliked to go to school.

Tardiness was regarded as a serious matter and a thorough understanding was shown concerning why regularity of attendance was stressed.

The questionnaire consisted of seven general divisions, namely: General instructions, questions relating specifically to the school and its work, questions relating to health, questions respecting home membership, questions respecting a vocation, questions relating to religion, morals and citizenship and questions relating to the use of leisure time.

No name was asked, so there was no reason for answering the questions incorrectly. The purpose of the questionnaire was to attempt to discover the attitude and interests of high school students.

TO RECEIVE ROAD BOND BIDS

Misscuri Fund Commission Has $5,000,000 Worth Of 4½ Per Cent To Sell Nov. 1

Jefferson City, Oct. 17—On Nov. 1 the state board of fund commissioners will receive bids for $5,000,000 of 4½ per cent bonds issued under the $60,000,000 road bond issue amendment to the constitution. This issue will mature at the rate of $1,000,000 annually, beginning on Nov. 1, 1928, and ending No. 1, 1932.

It is expected that there will be numerous bonds for this issue and that the bonds will be sold at a substantial premium. No bids at less than 95 per cent and accrued interest will be received and bidders may bid on lots to a minimum of $5,000.

Delivery of the bonds will be made at St. Louis, Kansas City, Chicago or New York at option of the purchaser, on or before Dec. 1, 1923.

Paving Resolution No. A 5.

A resolution providing for grading, paving and guttering Fifth street in City of Maryville, Missouri, from a point thereon 13 feet east of the west line of Market street in said city, west to a point theron 13 feet west of the east line of Main street in said city.

Be it resolved by the Council of the City of Maryville, Missouri, as follows:

That the Council of the City of Maryville, Missouri, hereby find and declare that they deem it necessary so to do, hereby order, direct and require that Fifth street, a public street in said City of Maryville, Missouri, from a point thereon 13 feet east of the west line of Market street in said City, west to a point theron 13 feet west of the east line of Main street in said city, be graded, paved and guttered and improved as hereinafter provided, the center line of said Fifth street to be the center line of said grading, paving and guttering and improvement.

Said street to be improved as aforesaid shall be graded, and said pavement and guttering herein provided for, when finished to be installed on said street improved so that the surface of the pavement at the north line thereof will be six inches below the top of the present curbing now installed and in place along and on the north side of that portion of said street to be improved, and the pavement along and on the south side of said street to be improved to be so constructed that the top or surface of the pavement will be even with the top or surface of the curbing now installed and in use along and on the south side of said street to be improved, said pavement and guttering to be 42 feet in width or 21 feet in width on each side of the center line of said Fifth street over the distance to be improved as aforesaid, the gutter on the north side of said street and pavement to be constructed by the paving being placed six inches below the top of the curbing along and adjacent to the present curbing on the north side of said street, and the guttering on the south side of said street to be constructed by constructing the paving in such a manner that the south line of the paving next to said south curb will be even with the top of the curb, and for a distance of four feet out toward the center of the street the surface of the paving to be laid at a uniform decline so that at a distance of four feet from said curb the surface of the paving will be 4-10 of foot lower than next to and adjacent to the curb, the center of said paving crosswise of the street improved to be 4-10 of one foot above the surface of the paving next to the north curb, and the surface of the entire pavement, except the south four feet thereof to be crowned concentric and uniform from side to side, the north half to be crowned on such a radius as will make the center line 4-10 of one foot higher than the pavement next to the north curb and the south half of said pavement except the south four feet thereof, to be crowned concentric and uniform on such a radius as will make the bottom of the gutter at a distance of four feet from the south curb 4-10 of one foot lower than the center of said pavement as before set forth, all as shown on a drawing of a cross-section of said pavement hereto inserted and made a part of this resolution.

In addition to the grading above mentioned the part of said Fifth street that is to be improved as hereinbefore set forth shall be excavated or filled as required for sub-grade so as to construct said pavement and guttering so that the surface will be at a distance from the curbing now installed and in use on said street as hereinbefore set forth and required.

Said paving to be of good quality, vitrified block paving brick, laid upon a foundation of four inches in thickness of concrete, to be composed of one part of best quality Portland cement, two parts of sand and four parts of good quality and proper size gravel, properly mixed and installed to make a good and proper concrete, with a layer of one inch of sand between the concrete and paving brick, and the cracks or joints between paving bricks to be properly filled with asphalt cement filler, said paving to be properly joined up against the curbing now installed on said street and the paving adjacent to each end where same connects with the present paving now on Main street and Market street aforesaid, and at all cross alleys or openings in the present curbing said paving to be laid uniform so that the same will be a uniform plane from end to end lengthwise of said street to be improved.

The cost of all the aforesaid paving, guttering and improvement, and grading necessary to install the same on the grades with reference to the present curbing on said street as herinbefore set forth, shall be paid for with special tax bills and a special tax and assessment shall be levied and assessed against the lots, tracts and parcels of land chargeable therewith in proportion to the front foot to pay the cost of the same.

Be it further resolved by the Council of said City that this resolution be published according to law in the Daily Democrat-Forum, a newspaper printed and published daily in said City of Maryville, the same to be published for seven consecutive insertions and if a majority of the resident owners of the lands that will be liable for the cost of the aforesaid improvement at the date of the passage of this resolution who shall own a majority of the front feet owned by residents of said City, abutting on that part of the aforesaid street to be improved, shall not within ten days after the date of the last publication of this resolution file with the city clerk of said city of Maryville, Missouri, their protest against the aforesaid grading, paving and guttering and improvement, then the Council of said City will cause said improvement, grading, paving and guttering to be made, contract therefor and levy a special assessment against all the abutting property theron, liable therefor to pay for the same as provided by law.

Passed, approved and adopted by the Council of the City of Maryville, Missouri, this 9th day of October, 1923.

Drink Water to Help Wash Out Kidney Poison

If Your Back Hurts or Bladder Bothers You, Begin Taking Salts

When your kidneys hurt and your back feels sore don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so you can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you cannot drink too much; also get from any pharmacist about four ounces of Jad Salts, take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus relieving bladder weakness.

Jad Salts is inexpensive; can not injure; makes a delightful effervescent lithia-water drink, which everybody should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.

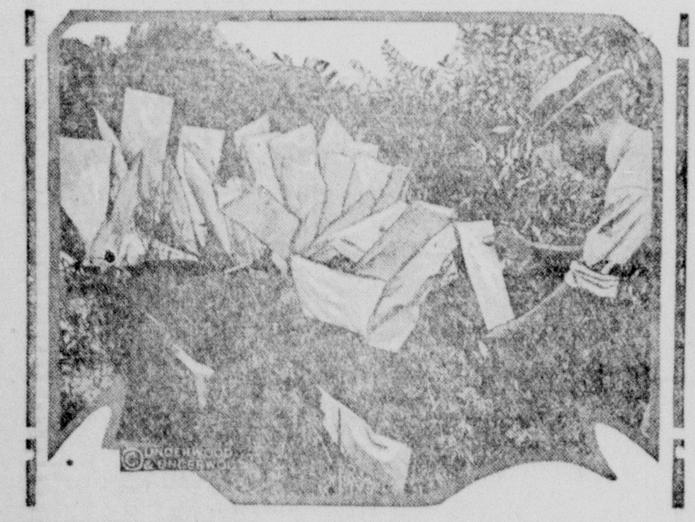
Gathering Pollen for Hay Fever



Discovery that a serum concocted from the pollen of certain plants would cure hay fever has resulted in a thriving new industry. The young man shown above has placed glazed paper bags over ragweed plants. When the pollen is shed it is collected carefully and the extract brings relief to sufferers. This special method of preparation has been developed at the hay fever clinic of the Woman's Welfare association in Washington.

M. H. S. Seniors Plan for a Better Annual

The senior class of Washington High School met with its sponsor, Principal L. L. St. Clair, this morning and appointed a committee to consider who would make good staff officers for the high school annual.

It was decided at the meeting that a better annual could be made if the senior class had the united co-operation of all the classes and organizations in the High School. A new plan has been devised to give the other three classes of the school an opportunity to aid in getting up this year's High School annual. The persons whom the committee of seniors recommends for the staff will be voted on a future meeting.

The seniors also made plans for a Hallowe'en party at the meeting.

Y. W. C. A. Gives Program at the College

The Rev. S. P. Allison Addresses Students On "Some Whys Of Religion"—Musical Numbers Given

"Religion is when man and God meet in a friendly manner," said the Rev. S. P. Allison in a speech to the student body of the State Teachers College this morning. The talk was a part of the program presented by the Y. W. C. A. organization of the College at the assembly hour.

In his talk on "Some Whys of Religion," Mr. Allison explained the building up of all the present religions why we worship one God, and why other religions vary in this respect. "When a person understands the why of a thing," said Mr. Allison, "he will then set about to follow in this faith."

The musical numbers included a vocal solo by Miss Alyce Allen, accompanied on the piano by Miss Ruth Houchens; a violin solo by Miss Pierce, accompanied by her sister, Miss Nona Pierce; and a pianologue by Miss Mary Esther O'Banion, with Miss Nona Pierce as accompanist. Miss Pierce, violinist, responded with an encore.

Why Not Have Streets That Will Stand It?

Nothing in your town has harder usage than your streets.

They are completely exposed to all the whims of the seasons—and to traffic as well.

Concrete Street pavement cannot blow away. Rain only makes it stronger. It can be built to carry any kind of traffic indefinitely, practically without repairs.

Concrete makes easy driving. Concrete makes driving safe. It is rigid, unyielding, skid-proof. Concrete Streets are as good one time of the year as another. *Concrete pavement has the maintenance built into it.*

These are some of the reasons for the rapidly growing popularity of Concrete Streets.

Our Booklet R-4 tells other interesting things about Concrete Streets. Write for your copy.
